MEMORANDUM FOR: Deputy Director for Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: Hal Ford's Memorandum on the Future  
of National Estimates

1. I saw Hal Ford at the reception yesterday and told him I appreciated his thoughtful memorandum on the future of national estimates.

2. I'd like you to formulate your ideas on how we can best respond to his suggestions, and you might organize a meeting with John and me and anyone else you think appropriate to assess where we are and where we want to go on these matters sometime during the week after next.
